A few suggestions you may want to try if stuck for ideas

Żubrówka, the original flavoured vodka. Wild bison grass grown from the heart of Bialowieza Forest naturally gives Żubrówka a deliciously soft, smooth and aromatic character. Mix it with cloudy apple juice over ice – so moreish.

Hendrick's, a superb, and utterly unique, pink-tinged gin infused with rose petals and cucumber as well as the normal botanicals. Served in a tall glass with plenty of ice and garnish with thinly-sliced cucumber – delicious!

Portobello Road was released by the award-winning Notting Hill bar, Portobello Star, home of the Ginsitute. It's an old-style London Dry Gin, containing traditional botanicals and spices. Perfect with a slice of grapefruit and tonic.

Ron Zacapa is a stunning rum, made in Guatemala, blended from 6 to 23-year-old rums. Try it neat or with Coke. Worth sipping slowly.
