

Roz Ana - 19 Years

Roz Ana opened in September 2008 – just at the start of the great financial crisis and some very tough times for everyone. We survived the recession in 2008/9, we survived a fire in 2013 and Covid in 2020. Over the years we have tried to support our local community in every way we can with donations to local schools and charities for years and even food drops for hospitals during Covid.

On Sunday 20th September we would love to see you dine with us with a complimentary welcome drink, 10% off your bill (cannot combine discounts with DinerMojo or any other offer) and Cocktail Happy Hour all evening. Please book to ensure you save your slot.
